CERTIFIED PHARMACY TECHNICIAN
CELEBRATING 15 YEARS OF SERVICE AT CCMH

What activities or pastimes do you enjoy? I enjoy spending time with family; racing; traveling and driving (both long and short distances); being outdoors; listening to music; and watching television programs like HGTV and Food Network.

What's your favorite movie and why? I can't pick just one! I like Sweet Home Alabama, While You Were Sleeping, The Proposal, Top Gun, and anything with Matthew McConaughey!

Finish this sentence. "On Sunday mornings, you can usually find me..." at work, or making a nice breakfast and watching the CMT country music Weekly Countdown."

Do you have a favorite family recipe? Two of my favorite family recipes are Impossible Cheeseburger Pie and Loaded Veggie Iceberg Lettuce Salad.
