

ERIN MUCK

CCMH PRESIDENT/CEO

CELEBRATING 5 YEARS OF SERVICE AT CCMH

What's your next big life goal?

I swore I would never go back to school, but I think I want to get my PhD in Leadership. Years from now when it is time to slow down, I think teaching leadership or public speaking about leadership could be a good next career.

Flashback to when you were 10 years old. What do you want to be when you grow up?

I wanted to be a farmers wife... until I discovered that I would have to cook, which is definitely not for me!

What's your favorite movie and why?

Kingdom of Heaven. I love the line, "Your soul is in your keeping alone." I think it is a really good example of doing the right thing, even when it is safer not to.

What activities or pastimes do you enjoy?

I love to read, wake board, swim, run, and exercise.

What is your favorite thing about working at CCMH?

I love the way I'm challenged; the people are awesome; and I get to serve the community that I live in!
