

FRED HALL

ENVIRONMENTAL SERVICES TECHNICIAN

CELEBRATING 10 YEARS OF SERVICE AT CCMH

What is your favorite thing about your job or working at CCMH?

I am thankful for all of my coworkers because they are like my second family and they have always supported me; I enjoy getting to talk with our patients and their families; and I love being a part of keeping the hospital clean and safe for our staff and patients.

Who are the most important people in your life?

My dad for always being there for us kids, and my grandchildren who give me a reason to keep moving in my life.

Do you have any skills or talents that most people don't know about?

I'm sure I have skills and talents that I don't know about!

What's your next big life goal?

I want to read more, to learn more, and to just live life! I want to make my life as simple as I can.

What 3 things can you not live without?

First and foremost, God's word in my everyday life; my family and grandchildren; my job.
