CELEBRATING 5 YEARS OF SERVICE AT CCMH

---

**What is your favorite thing about your job or working at CCMH?**

Meeting and helping people!

**Who are the most important people in your life?**

All my family (my husband, our children, grandchildren and extended family) because they love me unconditionally and understand me.

**Do you have any skills or talents that most people don't know about?**

People probably don't know that I like to sew and crochet.

**What's your next big life goal?**

Right now, I have two big life goals: I want to horse ride the Hell Canyon Trail next year out in Custer, SD; and an ongoing life goal is to become more involved in suicide awareness.

**What book are you currently reading?**

I am currently reading a book regarding grief; it explains how to deal with the grieving process and how to deal with the pain and guilt of losing a loved one.
